St Michael & All Angels’ Church, Bodenham
A LETTER FROM THE CHURCHWARDENS

Most of us are now thinking about Christmas. The shops are decorated and full of gifts. Christmas trees and carol-singers are to be seen. Soon there will be school nativity plays, pantomimes and Christmas cards and presents to be sent. Amidst all this it is easy to miss the Christmas Message of “Peace and Goodwill to all people”.

We can get so caught up in the “busyness” and preparations for Christmas that by the time it comes we are jaded and tired, so it is good to take some time off for rest and quiet.

The Christmas story is one of hope and joy – the birth of baby Jesus in a stable in Bethlehem, visited by shepherds and Kings. This baby who grew up to become Jesus - the young man who healed the sick, showed kindness to all he met and taught us to “love one another” and to “treat others as we should like them to treat us”. If we all did that, we might indeed have peace on earth.

Christmas is a time when we show love and care for our families and friends, But, of course there are many people for whom Christmas is not a happy time and it is good to remember those who are ill or lonely and on their own. And perhaps we can give to help the homeless and hungry and those suffering from conflict and war.

The Church Christmas Bazaar in the Parish Hall on Saturday, 2nd December at 2.00pm is a chance to meet friends, do some Christmas shopping and have tea.

Come and sing carols at St Michael’s Church! The Service of Carols and Nine Lessons is on Sunday 17th December at 6.00pm. It will be followed by mulled wine and mince pies.

Midnight Mass on Christmas Eve starts at 11.15pm. It will be taken by the Revd Prebendary David Roberts and will be by candlelight. So please bring a small candle in a safe holder.

On Christmas Morning we have the Archdeacon of Hereford, the Venerable Paddy Benson, coming to take the 10.30am Service of Family Communion.

On New Year’s Eve our bell-ringers will ring in the New Year in the customary way – a good welcome on a frosty night in our village. The New Year is of course a time for New Year resolutions. We shall all make our own - but one resolution might be that we try to carry some of the Christmas spirit of peace and goodwill on through next year!

We wish you a very happy Christmas and New Year and a healthy and peaceful 2018.

Vivien Moffitt and Tom James-Moore

PARISH COUNCIL NEWS
Planning applications

The following planning applications were considered at the Parish Council meeting on 6th November:

- **171319**: Land adjacent to England’s Gate Inn; Residential development of up to 10 dwellings with associated vehicle access. The Parish Council objected to the application on the grounds of inadequate vehicular access.

- **173549**: Eastfields; Proposed general purpose agricultural building for the storage of hay/straw bales and farm machinery. The Parish Council decided not to object to the application, provided that consent be conditioned on the provision of adequate surface water drainage and non-intrusive lighting.

The Parish Council made no objection to the following planning applications:

- **173475**: Tan Y Bryn; Proposed garage/store.
- **173805**: The Hollies; Proposed single storey extension to rear.
- **172393/CD4**: Bodenham Lake: Creation of a pond with a boardwalk to allow children to pond dip. The pond will be 10m x 12m, with a spit of earth through the centre. There will be a gravel access path for pedestrians.

**Accident Log**

Following a serious accident opposite Saffrons Garage on 28th August, as part of its efforts to improve road safety on the A417 through Bodenham, the Parish Council is setting up an incident log in which to record all accidents, near misses and traffic violations on the A417. Please report anything to the Parish Clerk. Including details of any incident in the past few years.

**Neighbourhood Plan**

The Parish Council has now submitted the draft Neighbourhood Plan and its supporting documents to Herefordshire Council for its ‘Regulation 16’ Consultation (see the Neighbourhood Plan update elsewhere in this Newsletter).

**Improving the playground**

The Parish Council’s Playground Sub-committee - set up to consider how the money from the developers of England’s Field earmarked for improvements to the playground is to be spent - has received a quotation from one playground supplier and is considering it, while waiting for other quotations.

**The village green**

Following requests to install adult exercise equipment on the village green, the Parish Council approached Herefordshire Council, whose response was that the Parish Council could install such equipment only if it took ownership or a long lease of the village green. Both options would require the Parish Council to be responsible for maintaining the village green. Consequently, the Parish Council is obtaining quotations for the cost of the annual maintenance of the village green before making a decision.

**The telephone box library and the bus shelter opposite Englands Gate**

Bell Homes has constructed a new brick bus shelter to replace the old wooden one, and has also restored the telephone box library. All this has been done at no cost to the Parish Council, which wishes to thank Bell Homes for their generosity.

**Litter pick**

The litter pick on Saturday 4th November yielded, nineteen large black bags of rubbish and quite a few large items, as shown below:

Thanks are due to the volunteers, namely: Tim and Rebecca Burnill, Kay and Tony Clark, Wendy and Dave Curd, Heather and Elwyn Davies, Jennifer Easson, Robin George, Andrew and Sue Maxwell, Bab and Tony Mitcheson, Nan Murdoch, Jenny Nicolson, Jeff Pollard, Evan, Georgia and Rhian Powell, John Rice, Chris Smith, Lavinia Sole, James Uren, and Sally and Gareth. Thanks are also due to the staff at Balfour Beatty, who provided the safety and litter picking equipment and removed the rubbish promptly on the following Monday. The next litter picks will be held on Saturdays 24th March and 3rd November 2018.

Following the litter pick it has been reported that wine and spirit bottles are frequently found dumped in the Maund Bryan area. Could anyone with information about this please contact the Parish Clerk.

**The parish website**

......is continually updated. Find the latest news on the Bodenham Neighbourhood Plan there. The Home page now shows a list of future events in chronological order, as well as the latest notices, addresses to go to, Parish Council minutes, and much more. Find out there about Bodenham past, present and future, local news and crime prevention alerts. www.bodenhamparish.org.uk is the website address. You can also find the Bodenham Newsletter there.

NEIGHBOURHOOD DEVELOPMENT PLAN UPDATE

As explained in our last update, at its Meeting on 4 September the Parish Council approved the draft Plan and Consultation Statement for submission to Herefordshire Council for consultation under Regulation 16. This approval was, however, conditional because the documents first had to go through a pre-submission process to allow Herefordshire Council to update some other important supporting documents - the Habitat Regulations Assessment, the Strategic Environmental Assessment, and the Policies Maps which show the proposed settlement boundaries and all the specially designated areas in the Parish, such as the Conservation Area, the River Lugg Special Area of Conservation and our Sites of Special Scientific Interest, etc.

This pre-submission phase also allowed us to ensure that the housing supply figures in our draft Plan – the number of houses which have been granted planning permission in the Neighbourhood Area since the plan period started in 2011 – agreed with the data in Herefordshire Council’s own 2017 Five Year Housing Supply Statement.

This work resulted in some amendments to the Plan, most notably to paragraphs 3.1 – 3.6 and Policy BNDP 1 in the main text and to the tables in Annex F, but was completed in the second week of October. The Parish Council then agreed all the changes and the draft Plan and its supporting documents were formally submitted to Herefordshire Council on 10 November for Regulation 16 Consultation. (It is perhaps worth noting that the housing figures are already out of date because planning consent has just been given for another five houses on the land adjacent to England’s Gate Inn and this takes our housing numbers above the minimum requirement set by Herefordshire Council's Core Strategy).

Herefordshire Council have now published the draft Plan for the Consultation. This started on 23 November and will continue until 11 January 2018. This is an important milestone in the preparation of the Plan because, even though there is still a long way to go before a Referendum is held to decide its fate, from the Regulation 16 stage onwards the draft Plan is deemed to carry some weight in planning terms. In other words some notice will now begin to be taken of what the Plan says when future planning applications are being considered.

The Regulation 16 Consultation is YOUR second and last real chance to influence YOUR Plan before it goes on to the final stages of the neighbourhood planning process. Please do take the time to read it and let Herefordshire Council have your comments on it. You can find the Plan, its supporting documents and full details of where and how to send your comments at https://myaccount.herefordshire.gov.uk/bodenham

Male & female clients accepted
Bodenham Open Spaces Project 2017
Sponsored by Herefordshire Council Public Green Spaces Community Grant Scheme and Supported by Bodenham Parish Council and Bodenham Residents

This will be the final update on the Bodenham Open Spaces Scheme which was completed on Saturday 28 October when the final planting of Spring Bulbs in the new Perpetual Garden at Bodenham’s War Memorial took place.

For those who have not yet heard of the Scheme, Bodenham applied for, and was given a Grant by Herefordshire Council Public Green Spaces Community Grant Scheme for two schemes within the Bodenham Open Spaces Project. The first scheme was to design and create a new perpetual garden around Bodenham’s War Memorial and the second part of the scheme was to enhance the area around the stone sculpture on the village green known as “The Huddle of Bullocks”.

On Saturday 11 February the Project Leader of the Bodenham Open Spaces Project, Cllr Jim Crane, held an open meeting at the Siward James Centre to explain about the Grant which Bodenham had received and how the project team proposed to implement it. Bodenham Parish Council gave the Project Team their full support.

The planting design for the new War Memorial Perpetual Garden and the flower meadow around “The Huddle of Bullocks” was designed by Mrs Tricia Jackson of Willowherb Cottage, in Bodenham, was agreed by Herefordshire Council Public Green Spaces Community Grant Scheme and Bodenham Parish Council.

The new Perpetual Garden around the War Memorial was completed in three stages. The first in March, when a group of volunteers headed by Mrs Jackson the designer and Cllr Jim Crane the Project Leader, planted the design’s structural plants. This was followed in June with further planting by volunteers and finally in October, when all the bulbs to flower in the Spring were planted to complete the design.

Work on the clearing the site around the “Huddle of Bullocks” on the village green and sowing the flower meadow seeds started in June 2017. Planting of flower meadow seeds has continued throughout the summer to give a continuous development of colour in the flower meadow for as long as possible in the latter part of the year. The Information Display Board giving the history of the sculpture “The Huddle of Bullocks” and the involvement of the Bodenham Open Spaces Project Team was erected by members of Bodenham Parish Council, the Project Team and the many volunteers involved, in October 2017. Such has been the success of this part of the project that the Project Team have had requests for seeds from the flower meadow around the “Huddle of Bullocks” so that a similar scheme can be achieved in private gardens.

In July, Bodenham held an Open Village and Gardens Weekend to showcase all that the village had to offer. The event was a huge success and both the new War Memorial Garden and the Flower Meadow around the “Huddle of Bullocks” Sculpture, were a great attraction to many of the residents who had lived in the village for some time, the many news residents, as well as a large number of visitors the weekend attracted, and the interest in these sites has continued.

The Bodenham Open Spaces Project Team would like to thank Herefordshire Council Public Green Spaces Community Grant Scheme, Bodenham Parish Council for their support and funding, Wojciech Gasier of Bodenham Bespoke Furniture for making the Information Display Board, Steve Rivers at Rivers Media for working with the Team to produce the Information Sheet for the Display Board, Mrs Tricia Jackson for her inspirational garden designs and all the many helpers and supporters of the Project for their hard work and effort to enhance these two iconic sites in the village.  Babs Mitcheson,  Project Co-ordinator,
DO YOU HAVE A FEW HOURS TO HELP SOMEONE IN HEREFORDSHIRE?

You can help in so many ways, for example:
> Visiting someone at home
> Helping with shopping or food preparation
> Escorting people home from hospital and to appointments
> Responding to wheelchair requests or delivering and collecting wheelchairs
> Supporting local people following a flood or fire

FLICKS IN THE STICKS

Like all the village Clubs, Societies and Events, Flicks in the Sticks is run by volunteers and relies on your involvement to keep going. The future of Flicks in Bodenham is uncertain at the moment so if you want to see it continue show your support in December!

See Me Before You among friends at the Parish Hall.

Me Before You
Young and quirky Louisa “Lou” Clark (Emilia Clarke) moves from one job to the next to help her family make ends meet. Her cheerful attitude is put to the test when she becomes a caregiver for Will Traynor (Sam Claflin), a wealthy young banker left paralyzed from an accident two years earlier.

BODENHAM PARISH HALL
FLICKS IN THE STICKS
Presents
on
FRIDAY 8TH DECEMBER
AT 7.30PM

ME BEFORE YOU

Staring Emilia Clark and Charles Dance

There will be the usual raffle and refreshments.

Coming in the New Year:

January 12th - The Zookeeper’s Wife
February 9th - Keeping Mum
March 9th - Victoria & Abdul
April 13th - Paddington 2
May 11th - Murder on the Orient Express (2018 version)

Please come and support us.

Please come along and support us and have a lovely evening.

Charity Event Bounds Back

Midlands Air Ambulance Charity has announced the date for its next Pound the Bounds walking event in Worcestershire, on Sunday 6th May 2018.

Join hundreds of walkers and runners across beautiful terrain in the height of spring, in the village of Rock in Kidderminster. Choose from a marathon, 18 mile, half marathon, nine or six mile route, or join the family treasure trail, all helping to raise funds for Midlands Air Ambulance Charity. Michelle McCracken, Worcestershire fundraising manager for Midlands Air Ambulance Charity, says: “Pound the Bounds is a great challenge for walkers and runners of all abilities. The last event raised over £5,000 for the charity, funding two lifesaving air ambulance missions. “We hope to raise even more next year with the help of our fantastic supporters.”

You can register for the event at poundthebounds.com.
Registration starts from £6.00 for the six mile route, £8.00 for the nine mile, half marathon, 18 mile and marathon routes. All participants are also encouraged to raise sponsorship money for the charity leading up to the event.

For more information about the Midlands Air Ambulance Charity and how to support the organisation, please contact the team on 0800 8 40 20 40 or visit: www.midlandsairambulance.com

2018 St Michael’s Hospice Plant Fair

Sow a seed for St Michael’s

We are looking for green-fingered supporters to help make our 2018 Plant Fair a blooming success. All the springtime greenery will be sold to raise the funds needed to provide the best possible care for patients and their families.

How You Can Help
If you can grow six or more plants (either from seeds or plug plants) and would like to donate them to St Michael’s, please contact Gaynor using the details below.

If you know your onions, we are also looking for volunteers who could give a few hours of their time during the Fair.

To start growing your support for St Michael’s, call Gaynor on 01432 851 000 or email her at gwarren@smhospicehereford.org www.st-michaels-hospice.org.uk

A New Years Commitment!! To help someone in need – Could that be you??

Home-Start Herefordshire believes parents have the key role in creating a secure childhood for their children. It’s just sometimes during the child’s journey they need a bit of help…your help, could make the difference.

Reasons for giving support are varied: Isolation, Domestic abuse, multiple births, child’s behaviour, School attainment, mental illness, self esteem, disability and many more.

Last year we supported 267 Herefordshire families including 323 children. This would not have been possible without the help of our home-visiting volunteers.

These wonderful people visit families at home for 3 hours a week, giving support and friendship to help them overcome a multitude of difficult situations.

Our volunteers tend to be parents or have parenting experience. We have male and female volunteers of all ages and from all backgrounds. Some choose to train to volunteer as mentors to young teenagers and others may be experienced in specific fields and offer their support in different ways. The volunteers all make the commitment to guide and support a family through their troubled time. Each new volunteer has to complete a course of preparation which is held at our Hereford Office.

The next course starts on the 25th January and runs every Thursday 9.30 - 3pm for 10 consecutive weeks. If you would like to join our team of dedicated volunteers please call 01432 371212 for more details or email us at homestart.hereford@virgin.com

Healthwatch Herefordshire: Your Health and Social Care Consumer Champions

Healthwatch is your consumer champion for health and social care. Local Healthwatch uses the voice of Herefordshire communities to influence the way health and care services are provided and planned. Not just people who use them now, but anyone who might need to in the future.

That’s why we want to hear your experiences of health and social care services in Herefordshire. What do you think needs to be improved? Perhaps you know about a service that works well? You can tell us by email, telephone, by coming to one of our bi-monthly events, or inviting us to your community groups.

Healthwatch Herefordshire are also here to help the public access services. We provide advice and information about how to access services, and choices that you can make.

We are always happy to come along to a community group meeting to provide information and hear people’s views and experiences. If you would like some advice, information or to invite us to a local community group get in touch.

We are a small and friendly team and also have a group of fabulous volunteers who get involved in the work we do. If you would like to make a difference through volunteering, or you are an active part of your community, get in touch to find out the different ways you can get involved.

Tell us about your experiences on health or social care services, call us on 01432 277 044, email info@healthwatchherefordshire.co.uk or visit our website www.healthwatchherefordshire.co.uk to find out about our next public event (11-13:30 at The Bromyard Centre, 9 January 2018) where we will be asking for views of social care service.

Your voice counts!

Dec 5th. Christmas party, ticket only.
Sales table and raffle as well

Secretary.
Hampton Ward Newsletter. November 2017

Some really good news for Herefordshire was announced last week and I apologise for spreading information you may already be aware of.

We have just been granted £15m to support the funding of a new university in Hereford, specialising in high-quality engineering courses. This is a great result and rewards all the hard work that’s been carried out behind the scenes by council officers and cabinet members.

The New Model in Technology and Engineering (NMiTE) aims to become the first new ‘greenfield’ university to be built in the UK for 30 years and will address the skills gap in the economy and the growing need for engineering talent in sectors such as advanced manufacturing, artificial intelligence and cyber security.

The only draw-back, in my opinion, is the dreadful name given to this exciting project. Maybe someone can come up with a more suitable title to reflect this 21st century facility.

NMiTE is taking a radical approach to training the next generation of engineers with a 50/50 gender balance target to help boost the number of female engineers, mandatory integrated work placements of between 6 and 12 months and to recruit students from non-traditional backgrounds, with a further aim to support 25% of the student intake with bursaries and scholarships to help support diversity and social mobility. Accelerated degree courses will also be available to allow students to complete their degrees in two years.

The new university will work closely with the university of Warwick and with businesses and potential large employers, to design a new curriculum to produce graduates who will be ready and better equipped to meet the demands of the modern job market. NMiTE aims to gain national significance as a centre of excellence which will benefit other local educational institutions.

Herefordshire has always been a cold-spot for higher education provision, leading to a brain-drain of 18-24 year olds who generally have no other option than to leave the area and study at universities elsewhere in the UK.

Emma Caldwell: 01568 797453 or 07971009691
or email: emma.caldwell@gmx.com

continues.....

Jesse Norman, MP for Hereford and South Herefordshire, has been calling for a university in the city since 2009. He said, “this may well be the most significant development for Herefordshire since they built the cathedral. Economically, socially, demographically, I believe it will be transformative for tech and engineering education in the UK”.

Cllr Bruce Baker

## BODENHAM STROLL, CHAT AND COFFEE GROUP

The first and third Wednesdays in the month were chosen but every now and again this will clash with the main walk. In future to avoid this I have chosen the Monday afternoon before and it will also give members who cannot make a Wednesday a chance to meet up.

The following dates up until Christmas have been chosen (meet at Bodenham Lake CP for a short stroll to Bird Hide or Bodenham Golf Club for coffee only):

- **Mon 4th December** 2pm Bodenham Lake CP
- **3pm** Bodenham Golf Club

### Girlguiding News

Ellie, who is a member of our Senior Section, has been awarded the Guiding Star Award, which is a national award given to girls who have made a significant contribution to guiding whilst showing courage and determination in challenging circumstances. We are all very proud of Ellie, and the way she always turns up to meetings with a smile on her face. She will be presented with her award by Abi Salter, Girlguiding Midlands Region Chief Commissioner, at our Christmas party in December.

1st Marden Guides and Senior Section raised £56 for Hereford Vision Links with a sponsored blindfold challenge. They found that it is very difficult to pour a drink, peg socks on a line or do a puzzle when you can’t see.

Look out for our Christmas window at Marden Church – *4 Calling Birds*.

New members are always welcome in Brownies, Guides and Senior Section. Why not come along to a meeting to find out more about us?

For Brownies (Age 7-10 years) contact Trish on 01432 880859
For Guides (Age 10 – 14 years) and Senior Section (Age 14-18 years ) contact Alison on 01432 880094 or email mardenguides@outlook.com

Guiding is fun for adults too! We would love to open a Rainbow unit for 5 -7 year olds in Marden or Sutton, but we need some new volunteers to be able to do it. If you would be interested to help, please contact Alison. You would be given plenty of support and training to become a leader, or helper, and have a lot of fun!

BODENHAM SURGERY PHARMACY

Many of you in the local community will have received a letter from Pharmacy4U offering a service to dispense prescriptions sent to them on line from the surgery and dispatch the drugs to you by post. They claim to do this with the agreement of the local practice.

The Bodenham Surgery Pharmacy was established in 1984 and has provided a valuable service to the patients of the practice since then. Like other facilities in the village that have closed, if we do not all use the Bodenham Surgery Pharmacy it will not be viable. You will surely agree that Bodenham pharmacy not only provides medicines but also plenty of friendly and useful advice.

We have contacted the doctors at the practice and they are certainly not in agreement with patients using Pharmacy4U and the parish council also supports us in this matter.

Signed
Richard and Karilyn Collins
Former GP’s at Bodenham Surgery who started the Pharmacy Service.

I would like to say huge Thank You to the wonderful people of Bodenham.

They honoured my lovely wife, Diane Pritchard, by dressing the Church with wonderful flower arrangements, many messages of sympathy and a truly marvellous reception at the Parish Hall, following her funeral on the 19th October 2017.

Robert Pritchard
From the Editor,
